## Eetamax Energy Solutions Private Limited

A manufacturer of high-performance industrial lights and lighting control solutions with over two decades of energy-efficient technologies.

### Company Overview

Is a leader in high-efficiency, zero-maintenance lighting solutions, offering tailored products for industries and infrastructure projects. With over 25 years of experience and a portfolio that includes smart street lighting for Jaipur, our systems save on CAPEX and OPEX, with products lasting up to 50,000 hours. Serving major clients like Whirlpool, Bosch, and NHAI, we bring optimized lighting across India.

#### Core Expertise

- Advanced industrial lighting technologies
- Smart lighting control systems
- Energy-efficient design solutions

#### Key Achievements

- Over 300 specialized lighting products
- State-of-the-art design and testing facilities
- IoT and connected lighting innovations
